For Immediate Release:

Lincoln Realtors® and Friends Bowl for Habitat for Humanity

Lincoln, NE February 1, 2013—The REALTORS® Association of Lincoln hosted their 13th annual Habitat for Humanity Bowling Tournament on Saturday, January 26 at Sun Valley Lanes. All proceeds of the event benefited the Lincoln/Lancaster County Habitat for Humanity.

With bowlers made up of REALTOR® members, affiliate members and their guests, the tournament contributed to a yearly \$10,000 donation from the REALTORS® Association of Lincoln to the local Habitat for Humanity.

“The REALTORS® Association of Lincoln is committed to helping everyone achieve the dream of homeownership,” said Nicole Jensen, Executive Vice President of the REALTORS® Association of Lincoln. “Our partnership with the Lincoln/Lancaster Habitat for Humanity does more than help build houses, it strengthens our commitment to fair and affordable housing for citizens of all economic levels in the Lincoln community; something our members work hard to ensure.”

The REALTORS® Association of Lincoln has supported Habitat for Humanity for several years, both financially and by providing volunteers for the organization’s building projects. In 2009 Habitat for Humanity became the main beneficiary of RAL fundraising events. Since then the REALTORS® Association of Lincoln has contributed an average of \$10,000 annually to Habitat for Humanity.

Along with the January bowling tournament, RAL members partake in a golf tournament held every August to raise funds for their annual donation. Through donations like this one, the Lincoln/Lancaster County Habitat for Humanity has built over 120 homes for over 500 adults and children in their 25 years of existence.

The REALTORS® Association of Lincoln is a local trade association, representing 900 members involved in all aspects of the residential and commercial real estate industries.
